Hi Lorena -

The issues I have are the following

1. I do not want a tent in front of my entrance - it blocks everything.
2. Even if the girls wear shorts, they are cut so high in the back that their butts stick out. So conservative shorts, no open stomachs.
3. My restrooms are not public.

I don't know what wording they are using, but those are my my concerns.
Thank you for taking the time and consideration to listen.

Thank you
